GREEN&SAFE - Commitment to responsible, green
and safe tourism in Slovenia

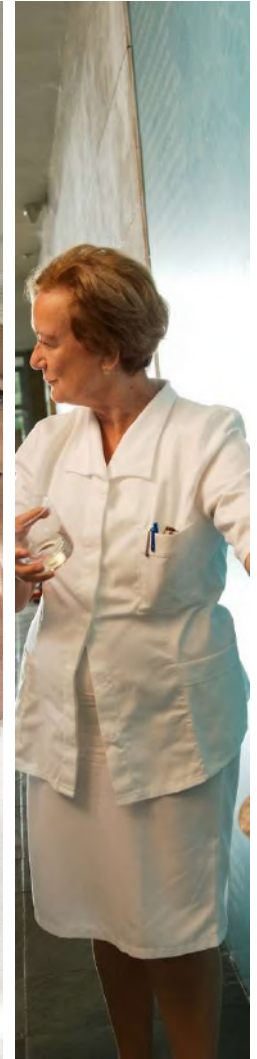

RESPONSIBLE TRAVEL STANDARDS OF SLOVENIAN TOURISM

Guide for responsible, safe and sustainable
business operations of providers and
destinations.

Slovenia is one of the first countries in the world to receive the **Safe Travels Stamp** from the World Travel and Tourism Council (WTTTC). It approves that Slovenian's health and hygiene standards, that are included in the **Responsible travel standards of Slovenian Tourism GREEN&SAFE label**, are consistent with global health and hygiene protocols for experiencing safe travel.

A photograph of a spa lounge. In the foreground, a large, ornate metal bowl is being held by a person's hands. In the background, four people are relaxing on lounge chairs. A man and a woman are in the foreground, both wearing white bathrobes. Behind them, another man and woman are also relaxing. A small table with a drink is between the chairs. The room has a modern, minimalist aesthetic with a large window and a decorative sculpture in the background.
